Praesidentenbericht

Vor kurzem beim Radiozuhoeren im Auto deutete der Ansager auf die Tatsache hin, Weihnachten sei nur noch fuenf Monate entfernt !

Demzufolge musste ich auch wahrnehmen, unser Landestreffen findet in nur fuenf Wochen statt ! Vorbereitungen fuer den grossen Treffen wurden schon vor einem Jahr angefangen. Wie im Fluege ist die Zeit vorbeigezischt und das grosse Wochenende naehert sich schnell. Uns ist die Gelegenheit geboten, unseren Klub sowie unser Donauschwabentum mit Stolz vorzuzeigen.

Ich freue mich auf die vielen Aspekte des Festes, aber insbesondere auf die Einweihung des neuen Denkmals, das unsere Vorfahren ehren wird. Viele Mitglieder haben bei der Gestaltung des Denkmals sowie beim

Geldeinsammeln mitgeholfen. Die Einweihung wird am Landestreffen-Wochenende stattfinden. Es ist unser groesster Wunsch, dass alle Mitglieder zahlreich erscheinen werden, dieses historisch wichtiges Wochenende mitzuerleben.

Wir brauchen dringend freiwillige Helfer fuer diesen Treffen, so ich bitte um Ihre Hilfe, wenn Sie in der Lage sind , ein paar Stunden fuer Ihren Klub opfern koennen. Sollten Sie dazu geneigt sind, bitte setzen Sie sich mit dem Buero in Verbindung, damit diese Feier erfolgreich sein wird.

Am 21. Juli veranstaltete die Schwabentanzgruppe den Schnitzengiggle-Benefizwettbewerb. Mary , ich und zwei Freunde nahmen am Spass teil und haben eine Mannschaft zusammengestellt, um an die Bierspiele teilzunehmen. Obwohl unsere Mannschaft als erste ausschied, hatten wir trotzdem viel Spass. Die Golden Keys waren auch gut in Form und alle Teilnehmer hatten eine gute Zeit. Unser Vize-Praesident Kirk Hanke feierte auch seinen Geburtstag an demselben Abend. Seine Frau Penny ueberreichte ihm und dem Publikum eine leckere Torte. Schade nur, dass nicht viele Mitglieder rausgekommen sind. Schnitzengiggle ist ein Abend einer anderen Art, prallgefuellt mit Spass und Heiterkeit.....nicht zu vermissen ! Unsere Gaeste hatten so viel Spass, sie wollen auch naechstes Jahr dabei sein. So.....schalten Sie den Fernseher aus, weg vom Sofa und raus aus dem Haus zum naechsten Schnitzengiggle !

Mary, ich und die Kinder sind nun auf Sommerurlaub und fahren in die Staaten. Der Sommer soll heiss bleiben, so wir werden uns mit reichlich Sonnenschutz eincremen, den Sonnenhut aufsetzen, die Sehenswuerdigkeiten einnehmen. Hoffentlich koennen Sie in den Schatten ein bisschen Zeit verbringen, eine Limonade geniessen, und die schoenen Sommertage in aller Ruhe erleben.

President's Report

The other day I was listening to the radio in my car and the announcer was highlighting the fact that we were just 5 months away from Christmas! That got me thinking about the fact that we were

just 5 weeks away from Landestreffen! We started making our plans for Landestreffen almost a year ago.

Time has flown by and our big weekend is coming up quickly. It is our chance to showcase our club and really wear our Donauschwaben heritage with pride.

I am excited about many aspects of our upcoming festival but of particular significance is our dedication of a new memorial commemorating our ancestors. Many have been involved with the design and fund raising and we will be unveiling the memorial as part of our Landestreffen weekend. It is our fervent wish that all our members will be making their way to the club on this historically significant weekend.

We are in dire need for more volunteers and so I'm pleading to our membership that if you are available and able we could certainly use your help. Please contact the office and let them know if you can help. So plan to come out and be a part of our great celebration.

On July 21st our Schwaben Dancers hosted their Schnitzengiggle fundraiser. Mary and I and two of our friends found ourselves forming a team and we participated in the games. Even though we were one of the first teams eliminated we had a lot of fun. The Golden Keys were in excellent form and all the participants were having a wonderful time. Our Vice President, Kirk Hanke, also celebrated his birthday that night with a cake presented by his wife Penny. It is such a shame that so much fun was only enjoyed by so few. Unfortunately we had a very low turnout. If you want to do something different we encourage you to not miss this evening. Our friends had so much fun they want to do it again next year. So stop watching the summer reruns, get off the couch and come on out.

Well Mary and I and the kids are off to the States for two weeks vacation. Looks like it will be a hot one so we be sure to lather on the sun screen, put a hat on our heads and take in the sights. Hopefully you can find some shade, grab the lemonade, put up your feet and enjoy these lazy hazy 2012 summer days.

Frauengruppe

Greetings from the Frauengruppe. It is August now and things will be very busy from now until Christmas.

First of all we will be making cabbage rolls for the Landestreffen this month. The Landestreffen is taking place on the Labour Day weekend. Consider volunteering some of your time to help us with this memorable event.

We are also having a bake sale on the Sunday morning of the event. All baking is greatly appreciated. It doesn't have to be tortes; fruit squares, yeast dough, strudel, cookies would all be wonderful additions to the sale. We hope to put on a nice selection for our visitors. Please contact the office if you need help getting your baking to the club. I will help any way I can.

Our 1st meeting is on *Sept 5th* and we will be looking for raffle prizes for Kirchweih, which will be on the 15th. After that it will be Oktoberfest and then our Anniversary in November. Try to stay cool during these hot days and we will see you soon.

Kindergruppe/Jugendgruppe

I can't believe I am writing this near the end of July! Where has half our summer gone? With Landestreffen fast approaching our Jugendgruppe has begun to practice already. Our Kindergruppe begins practicing in early August. Our committee has planned our Kinderplätz activities and games and we are now looking for volunteers!

I would like to thank all the dancers and parents that attended the Jugendgruppe Year End Laser Quest Party on June 28! We had quite the turn out! Thanks to Johanne for organizing this fun, social evening for our dancers!

On Saturday, June 30th, from 9am to early afternoon Lea with Emma, Johanne with Tyler, Kathy and Tim with Jayne and David and Rick and I worked on cleaning the pathway and gardens of the German War Graves at Woodland Cemetery. It was quite a bit of work for us but we managed to get it all done! Thank you gardeners and Tony Bergmeier for all your help!

This effort raised \$500 for our Kindergruppe and Jugendgruppe. We will once again need some volunteers in late October or early November to prepare the garden for the Remembrance Day Ceremony.

Our Kindergruppe and Jugendgruppe continue to welcome new dancers. Our 2012-2013 Dance Year begins **Thursday, August 23 at 6:30pm** in preparation for Kirchweih! Sheri Thompson will continue as Kindergruppe Instructor and Brandy Chapman and Kirk Hanke will continue as Jugendgruppe Instructors.

DONAUSCHWABEN COMMEMORATIVE GARDEN

Construction is Under Way!!

After four long years of planning, collecting generous donations and organizing, the Commemorative Garden project is finally being started. The Board of Directors decided earlier this year that it would be nice to have something present for our big upcoming Labour Day event. The board proposed that a monument and new flagpoles be constructed, the membership voted on the location and other details, and the decision was made to place the monument on King Street. It will be beautiful and quite the show-piece. A member of the Board will be contacting each of those who have already generously donated to share the good news about the project.

This is only Phase One of a total clean up of the King Street side. The next phases will follow in the future as more donations come in and time permits. If you have not yet donated and would like to contribute to the project, please contact the office and Melissa will be sure to help, or fill out a Donation Form found by the bulletin board. Some of our members have donated as a family, which is great to see. Many others have donated in the memory of a loved one who contributed to the Club over the years. All these donations will help leave a lasting legacy of our members for all future generations to see.

This project was initiated by a small committee of three members of our Club; Nick Lang, Peter Speckner and Walter Marzinko. Since then, the project has developed into a monument and memorial that is designed to commemorate and remember not only all the Donauschwaben people around the world, but especially here in our own community, who have done all they can to help preserve and advance our cultural traditions. This history is one that goes back hundreds of years to the first German settlers of south-eastern

Europe. The monument is also a thank-you and applause to those people who helped build the home we have today, as well as those who took the time to teach others of the importance of culture. Finally, it is also recognition of those people who today, in 2012, are doing the same.

I would also like to acknowledge all of our members who are proud to be Donauschwaben and share that passion with others. Every year in February, when we celebrate our anniversary and recognize our long-standing members - it is opportunity for our youth to see them stand proudly while we thank and applaud them for not only helping further our culture, but also for continuously reminding us how important it is to cherish.

This project could not have happened without the generous donations of our Club members and the members of our Sick Benefit Association.

Thank You,

Nick Lang

Learn how and why the Donauschwaben settled in their new homes along the Danube in the epic, historical novel by Adam Müller-Guttenbrunn, now translated into English!

The Great Swabian Migration relates the fictional stories of a bride from Swabia who travels down the Danube to meet her bridegroom; a family from the Pfalz that travels by wagon to find a new homeland; and Count Klaus Florimund Mercy, Governor of the Banat, who convinces his nephew to help him achieve his grand vision of a new paradise.

At the end of WW2, innocent German civilians became victims of crimes against humanity. *Forgotten Voices* lets these victims of ethnic cleansing tell their story in their own words, so that they and what they endured are not forgotten. Ulrich Merten argues that applying collective punishment to an entire people, no matter what the circumstances, is a crime against humanity. He concludes that this should be recognized as a European catastrophe, and not only a German one, because of its magnitude and the broad violation of human rights that occurred on European soil.

Illustrated narrative about the Kirchweih Fest. The illustrations in this colourful, hardcover book are aquatinted etchings, depicting the way Kirchweih was celebrated Drhaam, and today in our new home in America.

For Those About to Drink ... We Salute You!

There is no better way to celebrate summer than with beer – even if it is non-alcoholic! And that's exactly what happens each year at Schnitzenggiggle, the Schwaben Dancers' annual fundraiser. It's fast-paced, exciting, and this year, had Hacker-Pschorr as a sponsor. How can you go wrong?

It looked for the longest time like there would be only 5 teams this year, but thanks to the Schwaben Club President, a 6th team did enter to round things out. With all the teams entered, it was time to begin the opening ceremonies. Each team was announced and marched in to great applause: Scotland, Hawaii, Germany, Hungary, Canada, and returning 3-time Champions, Sweden. After a rousing rendition of "Ein Prosit", it was time for the games to begin.

Round 1 – Beer Pong. 6 cups placed in a triangle formation at each end of the table. The object of the game is to throw/bounce a Ping Pong ball into all your opponents' cups (forcing them to drink them empty and remove them) before they clear yours. Germany and Canada won their games fairly handily – it took Hungary quite some time to finish off Sweden, but they did!

Round 2 – Flip Cup. 4 cups placed along each side of the table, 1 in front of each player. The object of the game is for each player, in turn, to chug their cup empty, set the cup right-side up on the edge of the table, and flip it so it lands upside-down on the table. First team finished wins. Once again, Canada and Germany easily won both their games. Hawaii and Sweden each won one of their games, while Hungary and Scotland struggled and didn't win any.

Round 3 – Tilt-a-Can. 4 cans placed along each side of the table, 1 in front of each player. The object of the game is for all players to chug their cans down far enough so they are able to successfully balance on the lower, angled edge. First team finished wins. Germany continued their domination winning both of their games, as did Sweden and Hungary. Canada, Hawaii and Scotland were completely shut out.

Round 4 – Beer-Lay Race. 4-part relay race. Part 1 is chugging a cup while hula-hooping. Part

2 is rolling a hula-hoop so it lands around a pitcher of water, then chugging a cup. Part 3 is spinning around a baseball bat, then chugging a cup. Part 4 is stacking 6 full cups into a pyramid, carefully walking that pyramid back across the dance floor, where the whole team chug all 6 cups. First team finished advances to the finals. Only the top 4 teams advanced to this round, meaning Scotland and Hawaii were eliminated. Germany continued their winning streak by defeating Hungary, and in a stunning upset, Canada defeated the returning champs, Sweden.

Final Round – Das Boot. 3 tall cups and 1 plastic Boot are placed along each side of the table, 1 in front of each player. The object of the game is for each player, in turn, to chug their cup/boot empty. First team finished wins the tournament. After player 1, Canada had the lead. After player 2, Germany had the lead. After player 3, Germany maintained a small lead. After player 4 (the Anchor) – **CANADA WINS!**

It was an amazing tournament, and we had the honour of crowning new champions. Congratulations to Team Canada on their win, they looked great holding up their big, glass Boots! We'll see you next year – when more teams will challenge for DAS BOOT.

This is a short reminder to all members of the Frauengruppe that we are still hoping you are willing to take the time to bake something that can be sold on the Bake Sale table at our upcoming Landestreffen on Sunday,

September 2. It doesn't have to be fancy, just something that will entice the Americans and make them hungry! Since it is also a fundraiser for the Frauengruppe, it benefits you as well.
