## WHAT'S GOING ON Manager's Report

July was a very hot month weather-wise but a little chilly business-wise. August is picking up and the rest of the year is looking better.

This summer has also been a time for some repairs that were forced upon us. Some of the water downspouts were in need of repair and two of the basins in the parking lot also needed major repairs as they became safety hazards and needed to be done.

Thank you to Steven Orsan and his crew on the great job they did in the Schwaben Hall. The painting and freshening up of the ceiling and the walls was very well done.

Oktoberfest tickets sales are picking up, and planning for this year's Oktoberfest are well under way. I still have a lot to do before we open the doors for Oktoberfest which is only about 7 weeks away, believe it or not. Don't wait too long to get your tickets.

Enjoy the rest of the summer as it last and I'll see you soon at the Schwaben Club.

## Haus und Hof

Well, another few months have gone by since my last report so I thought I would check in. First the outside of the club was cleaned up by many wonderful volunteers a while back; its great to see our club looking so nice again and having some great people come out and help. The Frauengruppe's anniversary stone is now installed at the memorial on King St. and adds a nice touch to the memorial.

The Schwaben hall ceiling tiles and vents have been repainted (we all noticed how they looked) and it looks fantastic; no more dust and grime. The new paint is semi-gloss which I feel gives the hall a really nice finishing touch. This wouldn't have been possible without Mr. Peter Anton, a true Schwob and a dedicated new member who slogged through the 11 hours without complaint.

During the painting we swapped stories of how our family came to be in Canada from the Heimatland. I personally feel learning the stories of the Schwaben is worth more to me than any pat on the back or free work-beer I can earn at the Schwaben Club. I invite anyone who comes to volunteer to share or ask so our history isn't forgotten. Anytime we ask for volunteers, send a grandson or granddaughter (or great-grandkids) so they can also learn about our rich history and even make a friend or two (we don't bite). We can also sign for volunteer hours for high school students (wink wink, nudge nudge).

Now, for upcoming events: I have August 14th as "chair cleanup day". Its been a few years and the chairs look soiled, so at 9:00 am August 14th, I am coming in to clean chairs and chew bubble gum (or clean bubble gum off the bottom of chairs). As always any and all help is welcomed, and we will have a few laughs and work off the food I will provide.

And as always i have plenty of projects on the go, but feel free to approach me and share any ideas for improvement that you may have.

**Stefan Orsan**

## Donau Dancers

The Donau Dancers are taking a well deserved break for part of the summer. Wow! What a busy year we have had so far and we are gearing up for a very busy fall as well. Landestreffen will be here before we know it and several Donau Dancers will be in Chicago for the event. We will be practicing our dances in August to prepare for our performance.

We are also getting ready for Kirchweifest September 17. Hopefully we will be able to perform our new dance.

Oktoberfest is always a busy but exciting time! The parade! The food! The beer! The performances! Looking forward to it all!

Save the date! Sat. October 29 the Donau dancers will once again be hosting a Halloween Dance featuring The Dirty Old Men for some good old Rock and Roll! Get your costumes ready!

I sure hope Rolf, Helga, Jessica and Tyler are having a wonderful time in Germany. Can't wait for them to share their stories when they return!

And for the rest of you, hope your summer is spent enjoying family and this incredible weather!

## Kindergruppe/Jugendgruppe

It's been a quiet summer so far as the dancers have taken a short break from practice for the month of July. A small group that will be performing at Landestreffen in Chicago will resume practice on Sunday afternoons throughout August.

We want to say a huge "Thank you!" to Stefan Orsan for his very generous donation of a team Germany jersey, scarf, and hat. Our Kindergruppe/Jugendgruppe sold raffle tickets during the Euro Cup for these prizes and raised \$321.00! Thank you so much, Stefan! You have always been a great supporter of our children.

Thank you to the Board members who helped to draw the names of the winners.

The lucky winners of our draw are:

John Becker - jersey

Bill Broth - hat

Cameron Cooper - scarf

Thank you to all purchased tickets and supported our dance groups.

Mark your calendars as we welcome the Kindergruppe and Jugendgruppe dance groups back for a new season on Thursday, September 8th. Of course we happily welcome any children between 4-16 interested to join our groups. Please contact me at [lea\\_schwabenclub@icloud.com](mailto:lea_schwabenclub@icloud.com) for more information.

## Our Picnic

Our annual picnic was held on Sunday June 26th and what a glorious day it was! Plenty of sunshine!

So we hoped to double the attendance from last year as it was the Sunday after Father's Day, but who would have known that Germany is playing in the World Cup and scheduled for the Semi Final Game the SAME DAY. Well – good to know we were able to accommodate both and some even made it to both events!

The goulash meal prepared by volunteers of the Schwaaben Dancers was a hit as usual! Thanks for preparing that for us! I had a hard time deciding between roast chicken with paradeiskraut or the goulash --- I could have had both! J Thanks to Michael, our chef for preparing the Paradeiskraut and Potoato salad ! Delicious!

Then there was the bake sale table ! Wonderful home-made desserts for everyone! Thanks to everyone who donated! It was very much appreciated!

We had water balloons -200 of them! And everyone got wet!! Why not? We needed to cool off anyways.

This day couldn't have gone any better, with Cathy Thompson who again provided us wonderful music and to get the Bingo game under way! Plenty of prizes for everyone to win. Thanks again Cathy!

And finally, to our picnic committee, Heidi, Penny, Ann, Melissa, Stefan, Jenn, Glenn and Kirk (as he helped get things organized the day of) for your endless time for meetings and organization. Melissa – you were a tremendous help behind the scenes and for the reminders, the signs, organizing and reminding us J on whatever else we missed. Stefan and Jenn for the many prizes you donated – WOW! Amazing! Everyone deserves a BIG THANK YOU! Next year, perhaps we can get some of the teenagers to help too organize games, serve food, etc. Every bit helps and then we can all have fun!

## Jugendlager 2016

From July 7<sup>th</sup> to July 10<sup>th</sup>, youth from across the United States and Canada came to Donauschwaben Park in Waldheim for the 2016 Jugendlager. Samantha, Jessica and I joined over 50 others from Chicago, Cincinnati, Cleveland and Toronto to take part in the annual event.

Over the weekend, we explored Toronto while doing a selfie challenge; saw a bit of a Blue Jays game; and visited Ripley's Aquarium. We took time to learn more about our culture by cooking Krapfen, making our own sausage, and preparing our own potato salad and beans. We also worked together in groups to choreograph our own traditional dance, with each group performing their dance for everyone to see. In our spare time we had a dance party, played volleyball against the parents (we let them win), and swam at the pool.

What I enjoyed most is it gave me an opportunity to meet people from other clubs that I have never talked to before. I now keep in contact with several of them over social media. The campers ranged in age from 12 to early twenties. I thought it was a really good experience – I had fun meeting new people and learning more about the other clubs. I would recommend all youth at our club take advantage of the opportunity to join in this event next year in Akron, Ohio. I hope to see more of the Kitchener Schwaben Club youth there!

Auf Nachfahren der Donauschwaben kann man heute fast überall auf der Erde stoßen, in Chicago und in Toronto, in Australien, Brasilien, Argentinien, Frankreich und natürlich in Deutschland und Österreich. Tüchtig, wie sie immer schon waren, haben sich die meisten rasch den Verhältnissen angepasst, die sie vorfanden. Da und dort pflegen sie in Vereinen noch eine folkloristische Gemeinschaft und die Erinnerung an eine Heimat dass sie ihnen zu Unrecht genommen wurde.

## **Das kurze Glück der Donauschwaben**

Sie bestiegen die Ulmer Schachteln in der Hoffnung auf ein besseres Leben im Osten. Den Nationalismus lernten sie erst spät kennen. Dennoch wurden sie nach dem Zweiten Weltkrieg aus der Batschka, aus Slawonien, Syrmien und dem Banat vertrieben. Heute leben die Donauschwaben in aller Welt verstreut.
