President's Report

As I am writing this report, I am still recovering from the jet lag and extensive schedule of the Welttreffen 2019. I cannot begin to express how much everyone that went learned about our history and culture, and I look forward to sharing some of our experiences with all of you at our upcoming events.

Some highlights for this upcoming September:

1. Sick Benefit Meeting on September 4th. We will be reviewing (and hopefully ratifying) the proposed changes to the Constitution. I ask that all Sick Membership members take the time to attend as it is important that everyone understands the reasons for the proposed changes.
2. At the Membership Meeting on September 11th representatives of the AGCO (Alcohol and Gaming Commission of Ontario) will be in attendance to answer questions on what can and can't be done for fundraising activities at the club. I ask that representatives of each of the Untergruppen be in attendance so they can pass the information on to their group, especially those that are running games booths at Oktoberfest.
3. Kirchweihfest on September 28th. We had the good fortune to attend two days of Kirchweih festivities in Romania and look forward to working with the Frauengruppe on incorporating some of what we learned/experienced into the evenings' events.

Respectfully submitted,
Glenn Herold – President

Präsident Nachrichten

Weil ich diesen Bericht schreibe, muß ich mich immer noch erholen vom ausgedehnten Programm des Welttreffen 2019. Ich kann gar nicht beschreiben wie viel alle Teilnehmer über die Geschichte und Kultur gelernt haben und freuen uns darauf Euch unsere Erlebnisse in den zukünftigen Veranstaltungen zu berichten.

Einige Höhepunkte für den kommenden September:

1. Sick Benefit Versammlung am 4. September. Wir werden die vorgeschlagenen Änderungen der Constitution überblicken und hoffentlich bestätigen. Ich bitte alle Sick Benefit Mitglieder an dieser Veranstaltung teilzunehmen, denn es ist wichtig das jeder die Gründe der vorgeschlagenen Änderungen versteht.
2. Bei der Mitgliederversammlung am 11. September werden Vertreter der AGCO { Alkohol and Gaming Commission of Ontario } teilnehmen, um Fragen zu beantworten, was wir dürfen und nicht dürfen für Geldsammlung Aktivitäten im Club. Ich bitte alle Vertreter der Untergruppen teilzunehmen, um dann ihre Gruppen zu informieren. Besonders die Gruppen welche, Spielbuden beim Oktoberfest haben.
3. Kirchweihfest am 28. September. Wir hatten das große Glück zwei Tage an einer Kirchweih-Feier in Rumänien teilzunehmen und freuen uns darauf uns mit unserer Frauengruppe zu vereinigen und unsere Erlebnisse für die Abendveranstaltungen weiter zu geben.

Respektvoll,
Glenn Herold - Präsident

UPDATE ON KIRCHWEIH

The summer is slowly slipping away and that means our Kirchweih is coming up!

Again, if you are wearing a Tracht or willing to donate your Tracht to represent your region for this event, please contact the Frauengruppe committee. This year, with the help of Cathy Thompson, a new march will be presented showcasing the past, present and future.

We will be asking for volunteers to help make the sweat treat baggies for our event. This was something new we added last year. Sweat treats? According to research, some villages set up a special market during Kirchweih week (and yes, some had a week of celebrations). Young men looking to impress their 'chosen ladies' would purchase specialized treats and present them to their intended (and sometimes her mother) in hopes of gaining the approval of a date. The sweat of choice seemed to be specialized chocolates.

Monthly meetings starting soon!

September 4th will be the start of our monthly meetings! All members are invited to attend. We will be asking for help to fill our sweat treat bags for Kirchweih. Those members who do not wish to play Bingo will be asked to help with the preparations for Kirchweih. If time permits, hats may be decorated that night as well.

It has been suggested that mini craft tables be set up for those interested in learning or continuing a project. This will be discussed at our first meeting.

Movies, Movies – FILMNACHMITTAG!

Heimat movies (the romantic, scenery filled movies which showcased talented stars from Austria, Germany and Switzerland after World War II) have been our most requested films. However, there have been requests to 'update' our film repertoire to expand our audience base.

Our films for 2020 will feature both Heimat movies, romantic comedies and dramas. Films for the upcoming year will include the following: Dort in der Wachau, den die Musik und die Liebe in Tirol, Der Schwarzwaldhof, Heimatlos with Freddy Quinn, Einmal am Rhein (with songs from Willi Osterman), etc.

Your continued support with our film afternoons is greatly appreciated. Please invite your family and friends.

Thanks also goes out to our Freundschaftsgruppe who provide wonderful lunch options!

Wishing you a wonderful August! Enjoy the summer weather with family and friends.

Looking forward to seeing you at our first meeting – September 4th at 7 p.m.

Your ladies group committee:

Helga, Barb, Jenn, Penny and Lea

Cabbage Roll Making for Oktoberfest is taking place September 15th and 16th only this year! Everyone is welcome to come out and help the Ladies Group with this task. You can reach out to Helga Peller-Eberl to arrange the best time to join on one or both of those days or just drop in. Thanks!

Please remember we will be doing the Donau Schwaben anthem at Kirchweih on September 28. I have provided the anthem in both English and German in last months edition. Copies of the anthem will be provided on the tables that evening as well. I hope to see many of you out supporting the club at our next function, tickets are available now for Kirchweih until September 23rd, call or come into the office to get your tickets! See you at the next members meeting September 11th at 7 pm.

Welttreffen

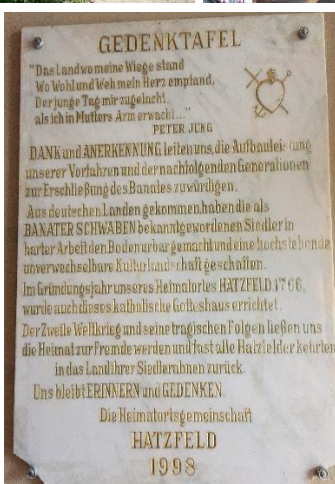

The 4th World Meeting of the Cultural Groups of the Danube Schwabians was held in Hungary and Romania this year. Emma and Lea Becker, Shayla, Lena, and Glenn Herold, and George and Mary Kraehling represented our Kitchener Schwaben Club. What a life-changing experience! Fourteen jam-packed days took us across several villages in the two countries, where we saw centuries-old traditions still celebrated today.

We learned traditional songs and dances, and had hands-on experience making local recipes for sausage and strudel. My favourite was celebrating Kirchweih with the townspeople in Romania. After the Mass to consecrate the Church, the Kirchweih parade led us to many homes where gracious hosts welcomed us with food and drink. The celebration was filled with dancing, fun, laughter, and plenty of wine and schnapps! Amidst the joyful camaraderie we shared, there were also times of sorrowful remembrance. We heard firsthand, the stories of people torn from their homes and families, and the painful, difficult lives they led.

It was a great honour to pay tribute to Danube Schwabians by laying memorial wreaths in cemeteries. As a band played, we marched through town and took a barge out onto the Donau River, where we set another wreath to float. It was a time of reflection in which we could all remember and honour our ancestors. This allowed us to feel a greater connection to our past, and to better understand and appreciate the gifts of the stories and traditions that have been passed down.

We have come home full of great memories and having made many new friends. I know I speak for all of those who participated, that we are blessed to have had this opportunity. It was such an incredible learning experience that we look forward to sharing with our members.

Kindergruppe und Jugendgruppe

Summer is going by so quickly! The Kindergruppe and Jugendgruppe have been on a break for June, July, and August. Soon it will be time to dust off the dance shoes and start our practices again. The 2019-2020 season will begin on Thursday, September 5th, the week school begins.

Families please be ready to register your child, and have your dancer fitted for uniforms. An email reminder will be sent prior to the first practice.

It is with mixed emotions that I formally announce my retirement as President of our children's dance groups. It is hard to believe that I was involved on our dance committee for over 12 years! It is a labour of love and I sure will miss it. You will still see me around the Club as I enjoy being an active member. I am involved with our Frauengruppe Board, and with our Freundschaftgruppe.

I would love to say a huge "Thank you!" to my supportive committee: Don Bowman, Barb Schlosser-Hill, Tracey Killingbeck, and Mike Kleser. As well, I want to thank our instructors: Sheri Thompson, Angele Killingbeck, and Kirk Hanke. I appreciate all that you have done, and the commitment that every one of you had to our youngest members.

Please help me to welcome the new committee starting this September:

Mike Kleser, President
Brian Schummer, Vice President
Karin Archer, Costume Director
Lea Becker, Past President

I wish you all the best as you carry our dance groups forward.

Lea Becker,
(Past) President Kindergruppe/Jugendgruppe

YOUTH NEWS

I have just come back from the 4th Welttreffen and am excited to tell all of you what it was like. I travelled with my parents and others from the Kitchener Club. We did manage to add a few extra days to the beginning of our trip and started off in Germany before heading to Budapest where we met up with the rest of the 90 people from the group, ready to take on an intensive couple of weeks in Hungary and Romania. I am happy we did this as it allowed us to get used to the jet lag so when we did meet up with everyone, we were ready to fully participate. Those that didn't get that opportunity did have a hard time adjusting to the time change and grueling schedule.

I would first like to say that the trip could be considered a once in a lifetime kind of event. The activities we participated in were put on just for us to experience and would not be available to those travelling on their own around Europe. For me personally, we were able to travel through the town my great grandmother grew up in, Gottlob. I was able to buy Romanian tracht from the Banat Region, which really was important to me. We were reminded of course that we are all Donauschwaben but with families that were born and lived in various countries like Hungary, Romania, Yugoslavia now Serbia and Croatia and we should not forget that either.

Our days started early in the morning with breakfast at 7 through 8am and our workshops, lessons or travel started an hour after that with most days not returning to our rooms until 10pm or later. We had 3 dance lessons for about 2 hours each, we had a workshop on how to starch our skirts which I know I will put into practice! We had a session on Kirchweih hat decoration techniques, watched numerous cultural programs from various towns in both Hungary and Romania, and we took part in 2 Kirchweih's which included raising a pole and marching miles through the towns as well as a lot of dancing with our new friends we made along the way. We had wine tours and city tours, learned to make sausage and strudel, visited museums and had many dedications at cemeteries, monuments, and on the Donau. The dedications were to those that were forced to leave their lands and to those that paved the way both in written word and in art for our culture too. It was beautiful to cruise the Donau at night toward the end of our trip and see how beautiful it all still is. Some of the most touching moments came as we had guest speakers come in to talk about their experiences during the Russian deportation which was so hard for them to talk about but it allowed us to really get a better understanding of what life was like for them and what they had to experience to allow us to be in this moment. In both Hungary and Romania they are asking for us to continue to support the areas which we came from, for those that may be interested in investing in property in their hometowns to go back and do that as they work on revitalizing the areas and ensuring the Donauschwaben way of life does not get forgotten and that it continues to be passed on to future generations.

I will be sharing information with all the Canadian Schwaben Clubs that I was able to collect during this trip and I hope to continue to encourage our youth to embrace everything they can about our traditions.
