Presidents Report

We started the year off with cautious optimism on the hopes that a vaccine roll out would allow us to all get together soon. Unfortunately, with the ongoing delays in immunizations, we are all in a state of limbo, and people are getting frustrated. This pent-up angst is permeating into our day to day lives and is making the planning of events very difficult. Every decision is second guessed, and contingencies upon contingencies prepared for the “what ifs”– the Board, just like everyone else, just don’t know what to expect. We are now getting to the point where we are having to restructure, and even cancel events which is very disheartening to the Board and I expect to some of you. That is why I will be pushing the pause button on club events, to give the Board a chance to breath, until we get a clearer idea of when we can realistically get together. Our VP Nick will be continuing with our fundraising events in the month of March, as they are very popular with the residents of Breslau and bring in some small level of income, and I expect our Entertainment Director Lena (with others) will be offering the occasional virtual content, but beyond that we wait with everyone else.

This is not to say there is nothing going on at the club. We are slowly getting things organized, and are dealing with all of the inspections, certifications and nuances of our new home. Our annual Sick Benefit meeting has been pushed up to April to give us a chance to discuss and get approval for renovations/upgrades so they can be put in place for when we can come together. It is hoped that the meeting will be in house as a number of our Sick Benefit members are not online, but we will have to see what can be done at the time.

Respectfully submitted,
Glenn Herold - President

A column in tribute to our Anniversary - The 1940's at the Schwaben Club

In 1947, the Club became active again after closing in 1939 due to WWII. The membership increased with the influx of new immigrants from the old country. The property at 1668 King St. E. became the newest home of the Schwaben Club. In 1948, a new Soccer Club was formed for the membership. Also in 1948, we celebrated our first Kirchweih! Below we show a few photos from those early Kirchweih celebrations.

John Heffner Sr. passed away peacefully at home on Tuesday, January 26, 2021, at the age of 91. On February 24, 2021 John and Marianne Heffner (Kessler) would have been married for 20 years. Loving father of John Jr. (Loren) and Willy (Laura) and step-father of Lydia Kessler and Paul Kessler (Andrea).

Dear Opa to Lori Straus (Corey) , Kristin Werner (Mike), Nick Heffner (Niomi), Stephen Heffner (Ali) and David Sigmund.

Great-Opa to Sebastian Heffner, William and Charlotte Heffner, Xander and Cody Werner, and Khristopher and Jonnathan Straus.

John is predeceased by his first wife, Mary Heffner (2000).

In 1973, John had a dangerous project before him: raise the 32' x 37' roof on his dealership so he could build a second floor up to it. No general contractor would do it, but John wanted it done. With 10 tonne jacks positioned around the roof section, he would raise each jack a few inches at a time, until the whole roof was up the required 32". This roof modification engineered by John Sr. still stands today.

John's determination to keep moving forward was with him to the very end. The idea of giving up simply never occurred to him for one reason: his family.

John wanted a better life for his family than his native Hungary could provide. In 1957, shortly after the Hungarian Revolution, John, Mary, and their 4-year-old son, John Jr.; his mother, Theresa; his in-laws, Katharina and Sebastian; and several friends crossed the border into Yugoslavia and spent six months' living in various refugee camps before the Red Cross arranged for their sponsored immigration to Canada.

Within a few years, John opened his own garage in Kitchener and did what was necessary to support his family. He even offered 24-hour towing service by parking the telephone next to his bed.

"I will never forget one bitterly cold February morning," John wrote in his memoir, "when there were fifty-four calls from customers whose cars did not start due to the temperature."

As John's business grew, so did his family, from Willy, his and Mary's second son, to four grandchildren and seven great-grandchildren. He was a great storyteller and especially loved sharing stories about his childhood in Hungary. One of his favourites was when he threw a small stone at a cat just to annoy it and broke the neighbour's window instead. Even into his 90s, telling that story made John laugh.

John's life has taught those around him many things, but perhaps this lesson is the most important one: John didn't lower his dreams to make them easier to reach. He raised them high and then moved toward them inch by inch.

As expressions of sympathy, donations to St. Mary's Hospital Foundation-Cardiac Care and the Kidney foundation of Canada would be appreciated by the family (cards may be placed by calling the Henry Walser Funeral Home 519-749-8467).

Visit www.henrywalsers.com for John's Memorial.

Frauengruppe Article

We are waiting for Health Canada to allow us to meet up again. Our first movie is planned for April 18th. The comedy - Unsere Tollen Nichten - will be shown.

In April we can then see if we can have the gatherings of our regular monthly Wednesday evenings and will offer our traditional Bingo and crafts. Please note the times - 6:30 p.m. to 8:30 p.m. - and again, if you need a ride to our meetings, please contact the club office. The committee is arranging car pooling for our members.

Mother's Day is planned for Sunday, May 16th with doors opening at 11:30. A planned silent auction is being held. If you would like to donate towards this, please contact Lena Herold or contact the ladies' group through email - kwschwabenfrauengruppe@gmail.com. A joint fundraiser with the Kinder/Jugend is also planned - a plant sale - more details to follow.

Stay safe - stay healthy - hope to see you soon,
Frauengruppe Vorstand
