## Presidents Report

Amidst all the other struggles restaurants, bars and eating establishments have been going through in the last year and a half, there has been a crack down by the AGCO (Alcohol and Gaming Commission of Ontario) to regulate food services. In short, they are making sure we can provide “light meals” any time there is alcohol for sale; chips, pretzels and other salty snacks are specifically stated to not qualify as a light meal, it must be something that provides nourishment. So here is what the board has come up with as a solution:

1. When the kitchen is typically open (Fish Fridays, Schnitzel Nights) and kitchen staff are onsite there will be the associated menu items available.
2. For smaller club events (Mia San Soccer games as an example) upon request we will try to have someone with food services certification available to make sausage on a bun or other lighter meals. We need the request to be made in advance to give us time to try to obtain a volunteer to help out.
3. When the kitchen is otherwise not open, we will either have (A) charcuterie boards available for purchase at the bar that will consist of a simple selection of sliced meats, cheeses, and fruit, as this is the simplest item that meets the AGCO’s light meal definition, and/or (B) menus from other food establishments in the area through which people can order and have food delivered.

Yes, it is ironic that we will actually have to allow people to bring food from other establishments into the club, but we are not setup to provide continuous restaurant services (plus this would contradict our zoning). I would just hope that members do not bring other food in when we are actually providing food services ourselves.

While on the topic of AGCO, I thought I would also clarify the rules on alcohol handling and consumption. Even though we are a membership club, members under the age of 19 are not allowed to consume alcohol on the property; penalties from the AGCO can include warnings, monetary fines or even suspension of our liquor license (which means no beer for anyone). In fact, members under the age of 18, or those under 19 that do not have their Smart Serve, cannot even handle an empty beverage container that held alcohol. You may not have noticed this in the past but serving staff at our events that are underage do not clear wine or drink glasses off the table; we have to leave the glasses for an adult to clear. The reason is that if the person whose glass is being cleared asks for it back, because say there is still a little left that they want to finish off, and the server hands it back to them then this can be deemed as the person clearing the glass serving the other, which is against the law. I don’t make up these rules, but I do have to make sure we follow them.

Lastly, we have had several members offering donations like historical artifacts, garden decorations and/or memorabilia to the club in the last few weeks. Although we are always thankful for the offering, any donations are subject to approval from the board. The reasons are (A) with certain items like books we may have copies of the same documents already, (B) we want to maintain a certain aesthetic both inside the building and on the grounds, and/or (C) the condition of items may not be ideal which poses a liability issue for the club should a patron injure themselves. Please do not take offense if the club does not accept a donation as there are usually reasons behind it that are not personal. Please make your donation known to a board member and the item will need to be reviewed to assess whether it will be accepted as a donation prior to bringing it to the Club.

Glenn Herold,

President

Thank you to our volunteers that come out to help keep our property tidy, have done the painting and repair of the picnic tables, helped at the fundraiser dinners by working in the kitchen and bar, those that come in and help wherever they could, and to our board that goes over and beyond their board duties. In August, the Friday Family Soccer Drop-In Nights resumed! It is great to get out on the field!

## Kinder Report

After close to a year and a half it finally looks like the Kinder and Jugend Dancers will be up and running again. We are seeing many changes as some dancers have both moved up and moved on. We are also looking to welcome new members into our groups. Other changes happening include Angele Killingbeck taking over the instruction of the Kindergruppe and a continuing search for a new Jugendgruppe instructor. We look forward to building a fun and entertaining group of dancers to entertain both inside and outside the club. As always new members are always welcome to join in and learn more about our Donauschwaben/German heritage.

President of Kinder/Jugend Dancegruppe

**Review of the Meet the Author Frauengruppe Event:**

Liebe Mitglieder/Dear Members,

We spent an enjoyable afternoon with Lori Wolf-Heffner, a local Canadian author, in the Schwaben hall of the club, which was nicely decorated, enjoyed some cake and coffee, and learned about Lori's writing journey and series of books based partly in Banat, Romania. Of special interest is the series Between Worlds which spans over a hundred years from an old-world village to life in Kitchener told through the eyes of two teen girls. Lori's style of writing is suitable for young girls and describes their growing pains as they transition into a more mature understanding of the world around them.

Liz O'Reilly, Frauengruppe Secretary

We are hosting a book club beginning in the fall based on the fourth book in Lori-Wolf-Heffner's series titled What Friends Do. To purchase this book, go to Wordsworth Books on King St., Waterloo, go to Lori's website [www.loriwolfheffner.com](http://www.loriwolfheffner.com) or try Amazon. We will keep you posted on meeting dates and times on the Nachrichten calendar, our website, Facebook page and emails.

## Membership Report

Hope everyone had a wonderful summer! It was a good thing that we were able to enjoy it more after July 12th when restrictions of Covid were lifted a little bit.

It is September 2021 and time to announce the start of the 2022 Membership drive. We encourage you to pay your 2022 membership dues sooner than later. The drive is open September to December 2021.

We do give you until Jan 15, 2022, as an absolute latest date to pay your membership dues. After Jan 15th, 2022, late fee of \$30 will be applied to membership payments.

The 2022 membership prices are below:

Family \$85

Single \$60

Senior \$40

Student \$25

The prices are staying the same as last 2 years due to unprecedented times.

Membership cards have been created, printed and ready for 2022.

Many members have been asking on the details of ages and situations for membership types. See below:

Family membership: All members of immediate family up to age 21 under one household and at same address.

Single membership: Members aged 16 to 64 years old

Student membership: Members aged 16 to 25 years old living at home or on their own and are going to high school, or college, or university. If the student is finished school before age 25, they are considered as a single adult and should pay single membership.

Senior membership: Members 65+ years old who are single, or divorced or widowed. Married or common in law seniors pay family membership.

I hope this explains the types of memberships clearly.

See you at the 90<sup>th</sup> Grundungsfest/Kirchweih/85<sup>th</sup> Frauengrundungsfest celebration on Sept 18th.

Heidi Peller-Oliver, Membership Director

**A column in tribute to our Anniversary**

The 1980's at the Schwaben Club (info from our website).

The Weber St. building and land, now home to Crunch Gym was sold in the early 80's. The Kitchener Club location was then able to undergo renovations to install a larger kitchen and the Schwaben hall was themed in Black Forest.

Our President for more than just this decade starting in 1981, was Stefan Jauch, and he began the tradition of acknowledging members with 10+ year pins at our Club Anniversary events.

Our yearly Club picnic was held at the Wilmot Rod and Gun Club and the Golden Keys would play for us.

The five German Clubs constructed a float for the annual Thanksgiving Day/Oktoberfest Parade organized by George Kraeling Sr.

In 1987, our constitution was changed back to one class of membership and any member could then hold a board position.

A manager was hired to run the Clubs busy banquets and events.

The Prime Minister of Canada, the honourable Jean Chretien visited our Club for Oktoberfest.
