Presidents Report

In September we held our first in person cultural event at the new location, and by all accounts it was a great success. Everyone was happy to get out and see their friends again. Several members also commented on how extremely pleased they were with the new mural, as the map in the Keller was one of their most enduring artifacts from the previous location, and they were also pleased with the addition of a third flagpole, so the German flag can be displayed proudly next to the Donauschwaben and Canadian flags.

Now comes Oktoberfest. We were originally only looking to have dancing on the last weekend (October 15 and 16), but due to the overwhelming response decided to offer the same opportunity on October 1, 2, 8 and 9. So each Friday and Saturday there will be a dinner seating between 5:00 and 7:30, followed by a dinner/dance from 8:00 to 11:00; please note that we are limited to a maximum of 50 people during the dances, so if you want to come out please make your reservations as soon as possible.

On Sundays September 26, October 3, and October 10 there will be family days between 11:00 and 3:00. I hope to see all of you out at least one Sunday enjoying a little Gemütlichkeit with friends and family.

October also brings us our annual election. If you are interested in helping steer the club at this exciting new time, please reach out to one of: Lena Herold, Nolan McQuabbie or Tracy Ruland for job descriptions and application forms. One change that has been made is, no family members of either the duly elected President or Vice President will be allowed to sit on the Board. On the October Members Meeting Agenda the membership will be discussing what the final definition of “no family members” is. We acknowledge the hard work and countless hours put in by several family members working together on the board in the past, but these relationships regularly serve to be a point of contention for some.

Respectfully submitted,
Glenn Herold, President

A day had come that many people had been looking forward too, the Club sign was put up! Thank you to Neil Hoffman who was the lead on this project. Helping him was, Andrea Speckner who took the design from the mural that was in the Keller at the King St. location after the membership voted to use that map and she digitally inputted that along with adding the wording that made up our new sign, and the people that got the sign up on the exterior of the building before Grundungsfest were: Joel Wideman, Wolfgang Kahnke, Nick Leipold, Mike Ruland, and Glenn Herold. Thank you!

Work was done on the pavilion before Oktoberfest started. Thank you goes out to Nick Wetzel who came out to cover the facias.

Cultural Corner

I want to say a big thank you to all the volunteers that came out and helped make the cabbage rolls once again. I want everyone to know that without all these people who gave up their weekend we would not have succeeded in making the over 2600 delicious cabbage rolls that we have all come to enjoy. Thank you!

Calling all young Ladies that are members of the Club! It's the time of year to get your applications in for Miss Schwaben 2022! If you're interested, please reach out to me and I will send you an application. See poster in this Nachrichten for more details.

A column in tribute to our Anniversary

The 1990's and 2000's (info from our website).

In 1994, the Kitchener location had one of its many costly building repairs as a pipe froze in the Main Hall and water ran into the parking lot, discovered the next day by the police. Fred Schiller showed occasional German movies in the Keller.

In 1997, a new transformer for the whole block of neighbours was installed in our basement by Ontario Hydro. Cabinets were also built in the Heimat Stube so the Ladies Auxiliary could showcase their items.

In 2006, the Schwaben Club celebrate it's 75th Anniversary with a special edition book given to all Club members.

In 2008, the Kinder/Jugendgruppe restarted with Lisa Tadros Schaadt at the helm and the group exploded in size. Also that same year, the first issue of the Club Nachrichten was made when the Heimatbote was discontinued.

The grapes on the property have now ripened to purple and are ready to be picked. If any member would like some, please come by the Club at any time and pick your own off the vines in the Biergarten.
