PRESIDENT'S REPORT

In April were the Verband meetings for both Canada (Toronto on April 20th) and the United States (Cleveland on April 27th). Each President gives an update on their club's status. I though the membership would be interested in hearing some of the common sentiments:

1. Everyone unanimously agrees that culture is the top priority, including traditions, language, dance, music and food.

2. Youth programs are a focus as we need to nurture future leaders that (A) care for and understand the culture, and (B) will be willing and able to run the clubs when the time comes.

3. We need to collect the stories of the senior members while we still can. In Cleveland, it was requested that anyone coming from the old countries stand up and be acknowledged; there were only 5 in a room of over 200.

4. Frauengruppe are disappearing as the present and younger generations tend to share in all of the clubs' roles.

5. Member retention and attraction is focused on providing "members a reason to belong", and unfortunately the sharing of the Donauschwaben culture alone is no longer sufficient. Mansfield has a membership of over 1000 as a result of their soccer program that emphasizes a safe environment for the entire family to enjoy.

6. For those clubs that still have buildings, many find that "property maintenance and business takes over their focus". In the last year, two clubs (Detroit and Milwaukee) sold their buildings as it became too much. Detroit is purchasing a new property and building a small clubhouse to serve their cultural needs, and Milwaukee is renting space from other local social clubs.

7. Clubs that no longer have a home are limiting how many larger scale events they hold a year

because of high rental costs (the host locations need to cover their costs) and they are competing for dates with other rental items such as weddings. They focus on, and make the best of, the events they do hold (quality versus quantity).

Change is inevitable, fortunately the Donauschwaben are a people that continuously adapted to the challenges they faced so they could maintain their core principles.

Respectfully submitted,

Glenn Herold President

MEMBERSHIP AND SICK BENEFIT REPORT

April showers bring May flowers...spring has finally arrived...April 13 I attended the Spaghetti Dinner to support the Kinder and Jugendgruppe dance groups. Spaghetti was delicious and good size portion. The silent auction was exciting as members bid on items only to be overbid by someone else, but I was lucky enough to get a new prize.

We have 5 new members that have joined 2 of them being couples. I would like to introduce Frank Houska, Davi Schmid & Nalacha Samara Teske, Lisa Norman & Sean Norman.

May 5 Peter Speckner our friendly cultural director instructed a cooking class to teach me and Katherine Tuerke how to make Chicken Paprikas. With the exception of a few ingredients it turned out just the way my Mom and Dad made it...It was so yummy.

Please don't forget May 29 at 7:00 p.m. the Sick Benefit meeting.

FRAUENGRUPPE NEWS

In May we held a Mother's Day social. We had yummy snacks and everyone shared a story about their mothers. It was an enjoyable evening. In June we will be holding our Silent Auction at the family picnic. Please consider supporting us by donating an item and/or coming to the event. This is our main fundraiser for the Frauengruppe.

Going forward we will not hold meetings the first Wednesday of the month. The days when our members enjoyed gathering and socializing and playing bingo have passed. We will instead plan get togethers and events.

They will be announced in the Nachrichten and emails will go to those who are registered members of the Frauengruppe.

Hope to see you in June!!

Susan, Lena, Lea, Jen, Penny, Monika Frauengruppe Committee

Thank you for your dedication in keeping your Donauschwaben heritage alive ... through your patience in teaching the art of cooking, baking, and preserving all of our cultural events to our younger generations by guiding them through experiencing all of those special traditions of your homeland. DONAU DANCERS

The month of April we traveled to Toronto for the Donauschwaben Landesverband held by the Toronto Blue Danube. We also celebrated the club's 70th anniversary. It was a great evening filled with lots of dancing and food! We had representation from all three groups.

Things are starting to wind down as we have less functions to attend, I hope to see a lot of you out at the BBQ's happening this summer and at the Picnic.

Tina McQuabbie Donau Dancers Secretary

LANDESTRACHTENFEST

FREUNDSCHAFTGRUPPE

Our annual Spring Ball was attended by enthusiastic Ballroom dancers and many others who enjoyed the music of the Edelweiss Trio. The band did not disappoint, and kept the dance floor full. It was a simple, elegant affair and everyone looked their best dressed in formal attire. It was so nice to see a variety of guests, several from our own Schwaben Club, but also a large number from our Kitchener/ Waterloo community.

A group of Ballroom dancers who enjoyed last year's event, were eager to attend again this year. During the band's break, this zealous group led several line dances and were happy to share their experience and knowledge to help others learn. It was a wonderful way to bring people together. New friendships were formed and many guests are looking forward to attending future events held at the Schwaben Club.

A Silent Auction was held during the evening and proved to be very successful. There was some friendly competition and everyone was happy to help support our fundraising efforts towards the upcoming Jugendlager that our Club is hosting in June.

We are grateful for the support of our members w h o attended a n d / or made donations

toward the Spring Ball and Silent Auction. You helped to make our event a success and are greatly appreciated. Our Freundschaftgruppe was able to raise some funds for the Jugendlager, and those who attended enjoyed great music, had a wonderful time, and left smiling.

As we move forward, the Freundschaftguppe would like to expand our group to include any Schwaben Club members ages 13 and over who are interested in participating in social activities, in addition to learning about and maintaining our culture and traditions. Contact us at schwabyouth@gmail.com or find Lea, Lena, Emma, or Shay if you are interested.

We are happy to welcome you!

Happy Father's Day to all the men in our lives. We honour all Dads here today, and those held in precious memories.

Emma, Shay, Lena, and Lea Freundschaftgruppe Leaders

HANS SCHAADT YOUTH CULTURAL AWARD 2024

A Glimpse into Our Culture

By Deanna Schaadt

Why Oma and Opa left Germany:

My Oma and Opa lived in Germany from the early 1930s to the late 1950s. During this time, Germany fought and started the Second World War during the 40s, and then fell under American and Soviet rule during the 50s. This led Opa and his family to be forced to leave their home and take a train to a new living space. They were kicked out and told they could only bring one suitcase each onto the train. I remember my Opa telling me the story about his mother very vividly. It's a story that stuck with me throughout my childhood, and would constantly remind me how lucky I am for living in a safe country. To set the scene, my Opa's mom grabbed her mother's sewing machine from their house, as it was the only relic they had left of her. She was ready to bring it, along with her one allotted bag onto the train, when a guard stopped her. She was forced, at gunpoint, to drop the sewing machine and leave behind the last object she had left of her mother.

Their trip to Canada:

My Oma and Opa travelled to Canada for the first time in 1956, and then permanently moved here in 1960. We even have their original boat tickets, and their immigration papers to Canada! Their first trip in 1960 gave them a fresh taste of what living in Canada would be like, and they loved it. They went back to Germany so they could get married, and then both came back to Canada as Mr. and Mrs. Schaadt. Their boats left them in a port in Quebec, and they travelled from there to New Hamburg, Ontario. They heard of a town called Berlin and were told many German settlers were heading there, which brought them to the little town just outside it, where they bought our family farm. My Oma's parents travelled with them, and they all lived on the farm together. My Oma's sister, my Great Aunt Kathy, and her husband, my Great Uncle Henry, also ended up coming to Canada, and they settled down together in Berlin, which is present-day Kitchener.

was joining the Schwaben Club. This way, they could have fellow German-speaking friends, and be able to raise their kids and grandkids in a German environment. Being able to attend club events, listen to German music and have generations of our family participate in German dancing was very important to my grandparents. My dad, my brother and I are all very lucky to have grown up entwined with our culture through the club, which is all thanks to my Oma and Opa.

Their life in Canada:

When they finally arrived in Canada, my Oma, Opa and Oma's dad bought our farm in New Hamburg. My Oma and Opa had their first child, my aunt Cindy, in 1963. My aunt Nancy arrived in 1967, and my dad came in 1971. My dad and his sisters all grew up on the farm, in the original house with its active barn, and cows! A big part of staying connected to their culture
