PRESIDENT'S REPORT

Guten Tag meine liebe Schwowa,

It's August and things are going to start picking up now. With summer ending, we have events coming up, and I can't wait to see everyone again enjoying our Club again.

The World Cup has come to an end, and sadly, Germany was eliminated in the early rounds. Canada on the other hand, did surprisingly better than I expected, and it was a pleasure watching them. Congratulations to Spain and their fans on a huge victory. The final was a bit dull, but it got exciting when it mattered. And the Club had a great time hosting all the people that came out to watch ... and eat poutine!!!

The annual long weekend Landestreffen in Chicago is the next big Donauschwaben event. I'm hoping we have a decent contingent to represent our Club. Sadly, with the US still being the US, and other factors, I will not be able to attend. But I wish safe travels to everyone going, and a big thank you to all that will be there on our behalf.

As for our own Club, Kirchweih is the next event on September 19 afternoon. We're trying something different this year. We've had numerous requests to have afternoon events that our older members can come out to (since they're not big fans of driving at night). With Kirchweih being a very traditional event, we thought it would be the appropriate one to host earlier in the day, and take full advantage of the outside grounds, during the event. To keep costs down, we're going with lighter fare as well. It will be different, but it will still be a great time. I look forward to seeing everyone there.

After Kirchweih, it's Oktoberfest! Yup, it's that time of year again. Oktoberfest is here again. We have 3 bands over 3 weekends, and 1 Family Day. A little bit for everybody. We're also taking advantage of the opportunity to have our Club represented this year at the Willkommen Platz. At our

booth we'll sell tickets, Schwaben Club merch, even some in-house, homemade food. Anyone looking to help out and volunteer, contact the office. It's time to bring the Schwaben Club to the masses!

The closing of Oktoberfest means we are that much closer to my favourite event of the year - Schlachtfest!!! That's right, pig night is coming. The pig has always been a vitally important part of our culture, and it's only fair that we eat lots of it, in honour of its historical significance. More details to come.

As always, our Board is eager to engage with our members to make our Club better. Our doors are always open. We welcome your visit and your ideas.

Sincerely,

Peter Speckner
President

SCHWABEN DANCERS

On behalf of the Schwaben Dancers, we wanted to thank everyone again immensely for coming out to our BBQ fundraisers. They were by far our most successful Schwaben Dancer fundraisers to date, it definitely helped that FIFA was on! We even saw some of the Breslau community come out and cheer Canada on, it is so nice to see some new faces. Although both Canada and Germany did not make it past the knockout stage, I think we can all agree it was a lot of fun coming to the club for each game and cheering them along with our friends and family, while also supporting various groups within the club. Good effort Canada and Germany!

The committee has decided the dancers are well deserving of some time off, so we will be cancelling some practices for the month of July and August. We are all looking forward to some quality time with our friends and family, and enjoying the beautiful (and hopefully not too hot) weather! Regular practices will be resumed starting in late August in preparation for Kirchweih and Oktoberfest.

Thank you thank you again to the members and our volunteers who came out to support us for one or both of our fundraisers. We are excited to put those profits toward our beautiful new Dirndls.

Have an amazing summer! Looking forward to seeing everyone again in September.

CULTURAL NEWS

Hallo August, lass die letzten Sommertage so hell strahlen wie deine Sonne.

September 19th - Join us for a fun, old-fashioned Kirchweih celebration! We're looking for participants of all ages to help bring the traditional Kirchweihfest back to life. If you'd like to be part of this special event, please send a message to cultural@kitchenerschwabenclub.com. There will be an afternoon lunch with music by the SevenCastles from 11:00am to 4:00pm.

Anyone who has rosemarin, please bring to club on September 18th.

Stammtisch - Sept 14th, 6:00pm to 8:00pm - Come and join us for Donauschwaben, German genealogy. Together we will learn how our ancestors reconstructed their lives, movements, and identities of German-speaking ancestors. Whether they lived in Germany, the Banat, the Donauschwaben regions, Austria, Switzerland, or migrated to North or South America. How the borders changed, why did they change and how it impacted our ancestors.

Classes in the fall:

Zwetschkudel/Plum Dumplings - September 13

Pretzelknudel - November 15

If any member is interested in hosting a cooking class of a Donauschwaben or German dish, please feel free to let me know and we can work together to set up a date: cultural@kitchenerschwabenclub.com.

Bis zum nächsten Mal.

Tschüss!
